## **Practical Information**

### **1. Conference Venue and How to Get There**

**Via Salvecchio 19** hosts the Rectorate and several classrooms of the Department of Foreign Languages, Literatures and Cultures of the University. Thanks to its location in the heart of the historic centre, it is conveniently within walking distance of the main points of interest in *Città Alta* (Upper city) – the main square, monuments, libraries, restaurants, city walls.

**From the airport (Milan–Bergamo Airport – Orio al Serio)** Take bus line 1 (*Airport Bus*) to the city centre / *Porta Nuova*. From there, continue toward *Città Alta* with the same bus to the terminus “*Colle Aperto*”, or walk to *Viale Vittorio Emanuele* and take the funicular up.

**From Bergamo railway station** Take bus line 1 toward *Città Alta* – stop “*Colle Aperto*” (last stop). Frequency: approx. every 15 minutes. Alternatively, walk to *Viale Vittorio Emanuele* and take the funicular to *Città Alta*, then walk to Via Salvecchio.

**By car / Taxi** Exit the A4 motorway at “Bergamo” and follow signs for *Città Alta* via *Viale Papa Giovanni XXIII* → *Viale Vittorio Emanuele* → *Viale delle Mura* / *Piazzale S. Agostino*.

**Note:** *Città Alta* is a Limited Traffic Zone (ZTL). We recommend parking in a car park in the lower town and then taking the funicular or walking up.

### **2. Accommodation Suggestions**

Below is a list of accommodation options. These establishments share several features that make them particularly suitable for visitors to Bergamo, both for short stays and longer visits. They are welcoming, guest-oriented lodgings, many of them organised as B&Bs or small inns, offering a homely atmosphere and direct contact with the staff. All are in strategic areas of the city—from the modern centre to *Città Alta*—allowing easy access to monuments, museums, shops, and major transport links. Although they differ in style and size, all aim for simple yet attentive hospitality, essential services, good communication, and a particular care for guest comfort and tranquillity.
